## Work Experience

### **Ux Designer**

MudMake Art & Design - Spring 2022 to Current

Working on a contractual basis for clients utilizing WordPress, the Adobe Suite, and Figma.

### **Web Designer, Graphic Designer, Entry Level Ux Designer**

Simvisr LLC - Fall 2018 to Spring 2022

Created internal and client wordpress websites and designed company assets including business cards, handbooks, etc. Moved into UX Design and started rendering Balsamiq wireframes in Adobe XD then Figma. Worked on some very basic ux documentation with leadership.

### **Production Designer & Engraver**

TE Metal Works - Fall 2018 to Fall 2019

Worked with clients to vectorize logos and create unique designs with the iterative process. Ran an Epologue Engraver, and a Plasma Table to render designs.

### **Gallery Showcard Designer**

CMU Department of Art and Design - Spring 2017 to Fall 2018

Collecting the Show card collateral, Editing photos, Completing layout, Writing and editing copy.

### **Production Designer**

Action Agendas Temp - Summer Position 2017

Created planner covers and filled orders for planners. This included rendering unique assets per guidelines and including any materials requested by clients then proofing and adjusting as needed.

### **Gallery Employee**

CMU Department of Art and Design - Spring 2017 to Fall 2018

Monitoring the Gallery during active hours and on demand. Creating design assets as needed.

### **Work Study Administrative Assistant**

CMU Community Education Center - Fall 2013 to Spring 2018

Monitoring the front desk and building access, answering phones, assisting customers, processing orders, technical support, general office assistance. Some basic layouts for flyers, programs, and any other assets as requested.
